Laura Lorenz

Hey y'all, my name is Laura!

I was born and raised in Illinois but have lived in Texas for quite some time now. I have three obsessions in my life.... Food, Wine, and Poodles!

I have two standard poodles, Charlie, and Lena. They always make appearances, so I am sure you will be seeing them. Dogs and wine are always a fun combination. I am a foodie at heart, I love to create my own recipes. However, wine is my passion, it sings to my soul. Pairing them in perfect harmony; wine being beautiful art, food being a gateway for love: together they are full of joy and personality. I hold Lynfred near and dear to my heart because that is where I first got bit by the "wine bug."

I hold my WSET L1 and L2 certifications. I am also currently enrolled in the American Wine Expert course. I love to learn; I am a bit of a bookworm and I really do enjoy school; "knowledge is power" as they say. I am also working towards my L3 and Certified Specialist of Wine. I want to inspire you to live the "wine lifestyle"- taking time to sip and savor everything life has to offer.

Learning about wine should be fun and approachable and not complicated and overwhelming. Let us explore all wine and food has to offer and have a fun time while doing it! Cheers y'all!
